

FRANCIS PWAVWE

Digital Product Builder — Education, Tourism & Growing Organisations

francis@pwavwe.com · pwavwe.com · linkedin.com/in/francis-pwavwe · Cape Coast, Ghana · working remotely

PROFILE

Digital product builder who designs and ships websites, platforms and AI-assisted tools — turning complicated, manual workflows into software people can actually use. Founder of AZ Learner and a Tourism Management graduate of the University of Cape Coast, with domain knowledge across education, tourism and campus operations. Most projects below are live in production.
